KARLIEN HUSSELMAN

Lig in jou donker

Hierdie is my dankie cd.

Ek sê dankie vir al die jare, dankie vir elke drukkie.

Dankie vir elke gebed.

Ek deel my beste liedjies op een album, met julle en mag dit herinneringe terug bring en nuwe herinneringe bou.

Ek het al soveel mense bedank deur die jare, en nou sê ek dankie uit my hart aan elkeen. Die grootste dankie gaan aan ons Hemelse Vader.

My lig in die donker, my proe in probeer, my REDDER.

Mag hierdie album vir elkeen wat dit luister, 'n lig in die donker wees.

Lief julle altyd!

Karlién Husseلمان

Who Are We?

Fado Art was born in 2004 as a brainchild of Nico and Elmien Van Zyl. In 2011 the business was taken over by Johannes van Zyl and his wife Galya van Zyl and they grew the small creative floricultural business into a national success. Creating fascinating, affordable artworks from the magnificent splendour nature has to offer. Today Fado art supplies National Chain stores like Checkers, Checkers Hyper, Pick and Pay, Spar and Foodlovers market to just name a few. Our creations are available in more than 300 Retail outlets nationally and caters for all special events like Valentines day, Fathers day, Mothers day and X-mas.

What Makes Us Unique?

We pride ourselves in our humble and honest approach to business relationships with both our growers and clients. Backed by our dedicated team of employees we strive to always provide the client with the best quality product, price and service. We pride ourselves on our products and service. Fado art offers in store display stands, we are a direct supplier with a guaranteed return policy. Our creations are cared for weekly in store and we replace all aged and unsold plants with the newest plant trends in the market.

Why Choose Us?

Our products are pre priced and offers our clients a 30% Gross profit margin. Our vision, to go from strength to strength and grow our product line to a class leading brand in Southern Africa with the best interest at heart when it comes to our growers, clients and employees.
